WREN's 5th Anniversary Merch Design Contest Frequently Asked Questions

1. Do I need to be a professional artist?

- Anyone can participate in this contest. As long as you have some creativity in you, you can enter!

2. Is there an age limit to enter?

- If you are an artist under the age of 18, a parent or legal guardian must submit the art on your behalf, but there is no age limit.

3. Does my submission have to be in EPS format?

- No. We understand that art comes in many formats. For submission purposes, the art must be submitted as either a high-quality JPEG or PNG file so that we can share the image on our website and social media channels. If your design is chosen as the winning design, we will then need it in an EPS format for printing purposes and will work with you on that.

4. How will the winning artist be picked?

- A WREN selection committee will narrow down the entries to 5 finalists. The designs of those 5 finalists will be put up for a public vote on WREN's website and social media. The winner of that vote will be the contest winner.

5. Will WREN own the art that I submit?

- WREN does not retain ownership rights of the artwork you submit; WREN will only retain ownership of the art chosen as the winner. Once the contest winner is announced, all submissions will be returned to the artists and the artists may use them as they would like.

6. What is the deadline for submission?

- All submissions must be uploaded via the form at <https://www.scwren.org/5th-anniversary-merch-design-contest/> by 11:59 PM on April 30th, 2021.

7. Who can I contact with more questions?

- You can reach out to info@scwren.org with any question you may have.
